

Part B Project Summary

Project Title: *(Please fill in the blank)*

Using filial play model to enhance teacher-child and parent-child relationship, and children's social competence

Project Number

(2010/0075-revised)

Name of Organization: The Hong Kong Institute of Education, Department of Psychological Studies

- (1) **Goals:** The proposed project is to introduce the filial play training to both teachers and parents to enhance teacher-child and parent-child relationship and children's social competence.
- Objectives:**
- (i) To enhance teacher-child and parent-child relationship and children's social competence
 - (ii) To provide training to both teachers and parents on using play assessments (MEACI & PTOI)
 - (iii) To train both teacher and parent participants to be the filial play trainer to train other teachers and parents in kindergartens
 - (iv) To disseminate the products, like DVDs, published manuals, handbooks and exercises, and academic conference, to the public. The beneficiary groups will be extended to other stakeholders other than the 7 project kindergartens.
- (2) **Targets:**
- Expected number of beneficiaries: 28 preschool teachers, 70 preschool students, and 70 parents in seven kindergartens
- (3) **Implementation Plan:**
- (i) **Duration:** 13 months
 - (ii) **Process / Schedule:** 1st phase (Apr.2011 – Aug) Interim evaluation (Aug 2011) 2nd phase (Sept. 2011 – Jan.2012) Evaluation workshop & seminars (Feb. 2012) Report write-up & Production of DVD Handbook, Manual & Exercises (Mar. 2012 – Apr. 2012).
- (4) **Products:**
- (i) **Deliverables/outcomes:** DVDs, Filial Play Therapy Manual, Practical Handbook & Hands-on Exercises
 - (ii) **Dissemination of deliverables / outcomes:** Web page introducing filial play, Public presentation, Publication of Manual, Handbook, and Exercises, Presentation in academic conference, and publication in referred journals
 - (iii) **Commercialization potential of deliverables / outcomes:** DVD and printed products (Handbook, Manual & exercise books)
- (5) **Budget:**
- (a) **staff cost** : \$195,580; (b) **equipment** : \$70,000; (c) **general expenses** : \$6,040; and (d) **contingency** : \$2,282.00 **Total** : \$273,902.00- (Round upto 274,000.00-)
- (6) **Evaluation:**
- (i) **Performance indicators:** Survey and focus group interviews will be conducted to collect teacher and parent participants feedback on the filial play training..
 - (ii) **Outcome measurements:** Instruments, like CBCL, MEACI, and PTOI, are used to assess children's social competency, communication of acceptance, allowing the child self-direction, and involvement before and after play training sessions, and play behaviour during the play training sessions.
