- P.2 (Class WH2)
- Topic: Direction
- Time Duration: 70 minutes (2 lessons)

LEARNING OBJECTIVES

1. To recap 4 directions (North, East, South, West)
2. To recap using senses and coding to look for treasure
3. To learn using blue-bot by giving correct command to complete missions

CONTENT OF THE LESSON

1) Revision of 4 directions

2) Revision of giving commands to look for the treasure by using 4 x 4 grid squares

CONTENT OF THE LESSON

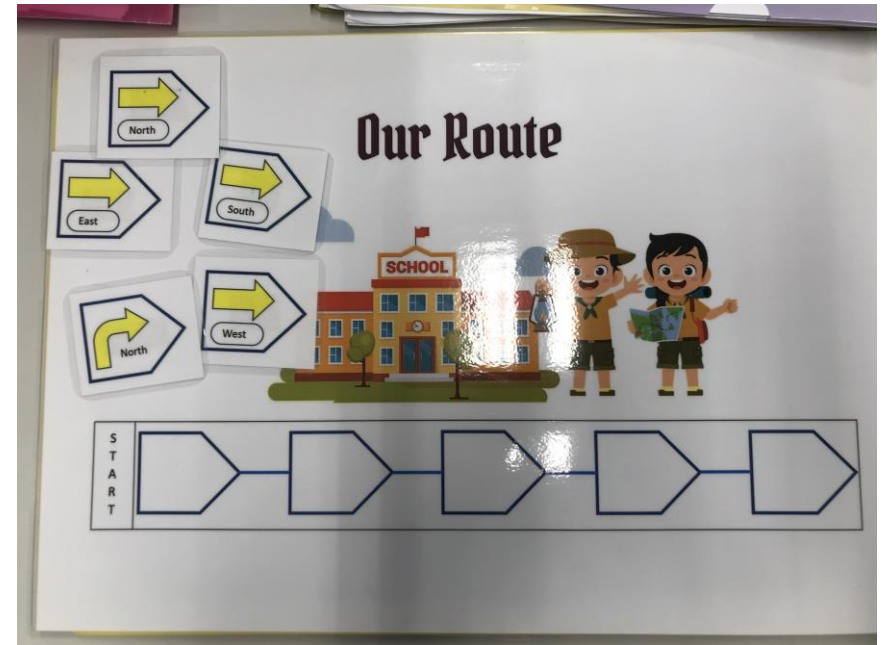

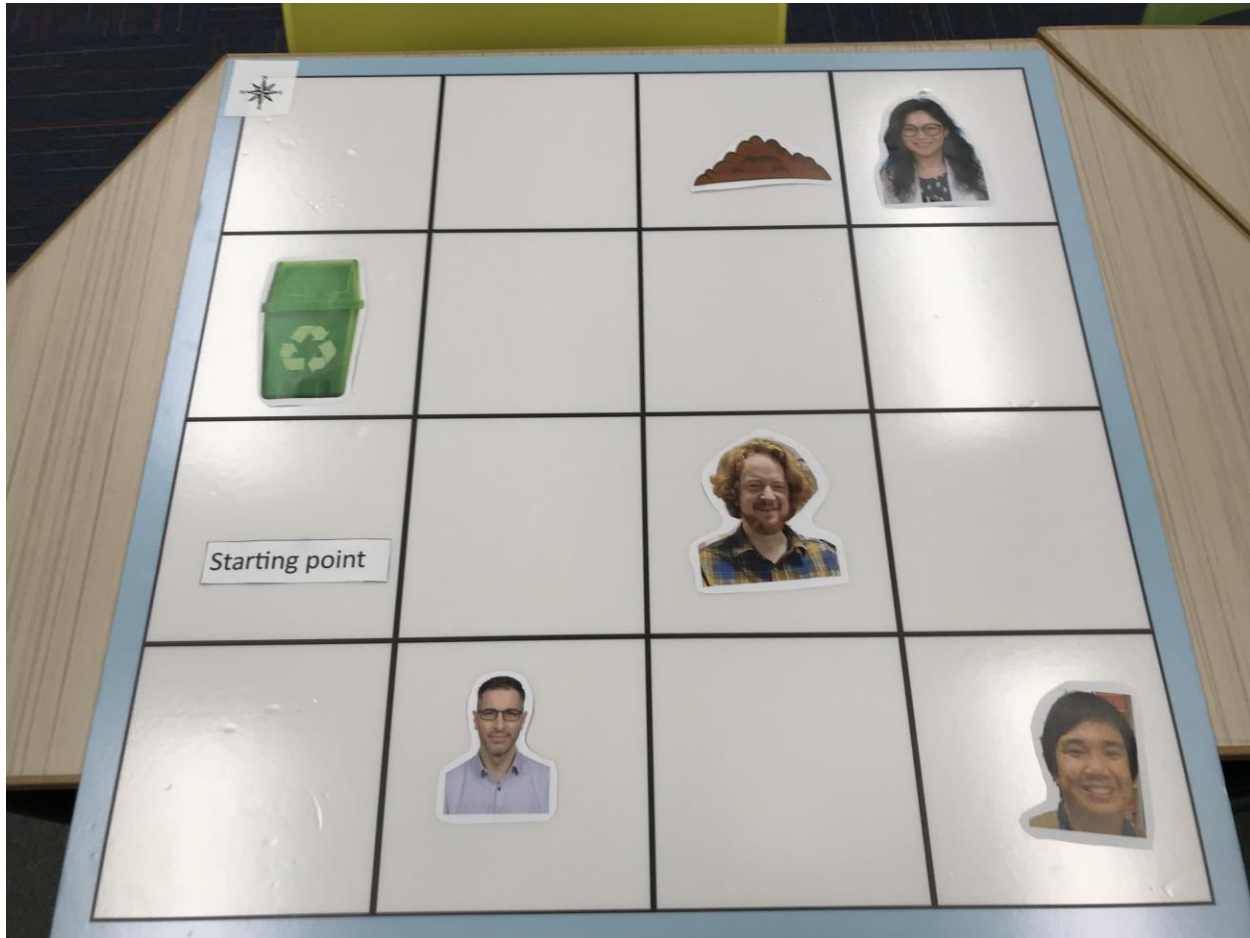

Video

3) Using 4 directions as commands to look for treasure

CONTENT OF THE LESSON

4) Complete Mission- Finding NET teachers and Principal Cheung

STUDENTS' WORK

One of the Missions:
Finding Principal Cheung

Video

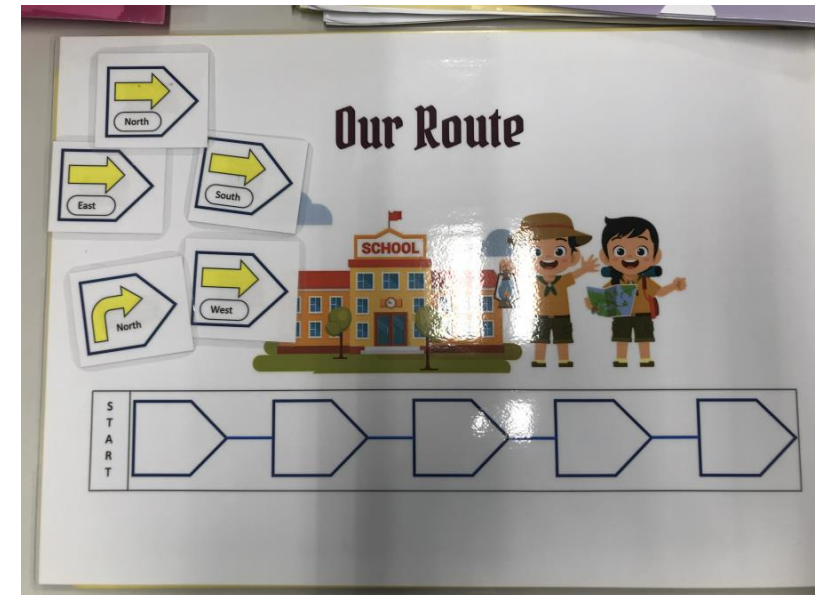

REFLECTIONS

1. Good try to use blue-bot to visualize the routes when learning direction
2. Good to use magnetic command cards instead of writing for coding
3. Good to have command cards such as 
4. Good to use Padlet for uploading students' work and sharing

REFLECTIONS

1. Better to draw lines for each square inside 4x4 grid squares
2. Better to use different colours for the command card

Thank
you!
